ON PALESTINIAN LAND

A QUARTERLY REPORT FROM THE GROUND JANUARY - MARCH 2026

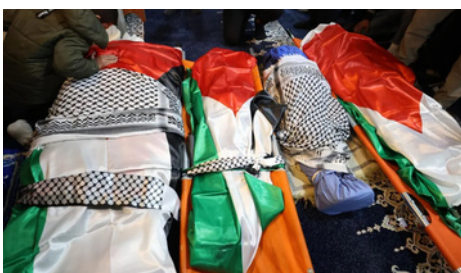

Israel extended tactics of mass murder and destruction used in Gaza into Lebanon and Iran, and tactics of illegal occupation and de facto annexation from the West Bank into Syria and Lebanon. In addition to the state-supported campaign of settler terror in the West Bank settler organizations and state authorities displaced families in East Jerusalem. In Gaza, Israel killed dozens and injured hundreds of people in January alone. Across Palestine, the Israel continues to kidnap Palestinians and now prisoners face a death penalty law in addition to enduring systemic torture.
